MT

OBJECTIVE

Dedicated Math Tutor with 4+ years of experience providing tutoring and academic support to students of all grades. Adept at developing innovative teaching methods to meet the needs of math students grades 6–12. Seeking a position at [Company Name] to advance academic progress and assist students in reaching their academic goals.

PROFESSIONAL EXPERIENCE

Math Tutor
AJ Tutoring, Bamberg, SC   Sep 2020–Present

- Provide 40-minute math tutorial sessions three times a week to 10 students in grades ranging from 6–12
- Evaluate student's progress and ability to meet course standards in mathematical knowledge and skills by assessing their academic growth through weekly quizzes and assignments
- Tutor students on a wide range of subjects including algebra, geometry, trigonometry, pre-calculus, calculus, AP calculus, statistics, and AP statistics
- Facilitate 5+ instructional activities to support students in mastering specific math skills

Math Tutor
Stokes County Schools, Bishopville, SC   Jun 2018–August 2020

- Designed teaching materials to sustain students' interest in math, and interacted regularly with students and parents by phone and email to discuss student progress and address any issues
- Adapted the mathematics curriculum for individuals and small groups to meet the unique needs of a 6-student tutorial group
- Committed 20+ hours weekly to providing tutorials during after-school hours, which included afternoons, evenings, and weekends
- Developed 50+ resources tailored specifically to building mathematical skills, and evaluated students periodically to measure obtained skills
